Election of VNGOC Board in September 2017

Minority report – Dag Endal

Based on the existing Rules of Procedures, the following election procedures are proposed for the Board elections in September 2017:

- Member Organisations in good standing are invited to nominate candidates for the six positions and for as many of the six positions as they prefer. Each nominated candidate shall be supported by another Member Organisations in good standing.
- Candidates shall be nominated for specific Board positions, and they can be nominated for more than one position.
- The Nominations Sub-Committee presents a recommended candidate for each of the six positions together with a list of other persons nominated for the same post. Member Organisations may vote for any of the nominated candidates for each position.
- In its proposal for candidates to the six Board Member positions, the Nominations Sub-Committee shall strive to ensure the best possible balanced composition of the Board, taking into account gender, geography, continuity as well as diversity of organisations and competence. The Committee should also interview recommended candidates to make sure that they are all prepared to take on the responsibilities and tasks that a Board position in VNGOC entails.
- Member organisations that participate in the annual meeting, in person or via internet, are entitled to vote, in accordance with the Rules of procedures: “9.4 All members present at the meeting shall have the right to participate in a vote. The VNGOC may adopt procedures to allow members to participate in meetings and/or vote electronically”.
- Members “in good standing” as at 31 August are eligible to vote and may cast one vote for each election round.
- The election procedure is conducted in real time, i.e. during the course of the annual meeting. This allows for more than one round of voting if no candidate gets more than half of the votes cast in the first voting. In the next round(s) only the two candidates with the highest number of votes in the first round take part.
- The Annual Meeting elects persons to fill each of the six positions in the Board in accordance with the Statutes.

A “Call for Nominations” based on the principle above is attached here.

Specifically for this election we would value nominations for candidates who have proven governance experience; knowledge of the UN system, especially UNODC and CND; strong networking and relationship building skills; experience at finding consensus; relationships with the broad range of members of the VNGOC; and commitment to put in the required time and effort to the Board.

Only individuals from VNGOC member organisations in good standing i.e. that have paid the 2017 membership fee (unless exempt) are eligible to vote. VNGOC members should get in touch with Sarah Pirker (spirker@vngoc.org) in case they have not paid their fee/submitted a membership commitment form.

Please submit your nominations to xxx@xxx.xx before the deadline 28 July.

Please note that if the candidate is not the Chairperson/President or Chief Executive Officer/Executive Director of the organisation, they should have the approval of the relevant senior officer for their nomination and every nomination should be supported by another VNGOC member organisation in good standing.

Please ensure that you complete the nominations form correctly as incomplete forms will not be considered.

We have appointed Sarah Pirker and [name of auditor] as Returning Officers for this election.

We look forward to receiving nominations and thank you in advance for your co-operation.
