Candidate for:  
**Treasurer**

I am working for substance use treatment, rehabilitation, Drug Abuse and HIV/AIDS prevention as well as welfare of youth since 1990. I have Masters Degree in Sociology, International Certificated addiction professionals. I did fellowship in TC Model from Singapore. I am leading Pakistan Youth Organization, Mian Afzal Trust Hospital which is working for drug prevention, treatment, rehabilitation and advocacy. I had Participated & represented Pakistan in number of International and National Drugs Conferences. I am part of several NGOs Networks/ Federations working for Drug Demand Reduction and HIV/AIDS prevention.

I am also Elected Director, International Society for substance use professionals (ISSUP) Pakistan Chapter, member Board of Directors, Asian Federation of therapeutic Community, President 300 NGOs Network, Punjab AIDS Consortium. I am also trainer of United Nations Office On Drug & Crime as well as Colombo Plan drug advisory program and conducted number of training organized by Colombo Plan & UNODC. I am also trainer of child addiction curricula and women treatment curricula. I have also supervised number of projects supported by Anti Narcotics Force, INL, Narcotics Affairs Section U.S embassy, Islamabad, UNODC Pakistan, Colombo Plan, Australian High Commission, Islamabad, National/Provincial AIDS Control Program, and Embassy of Japan Islamabad. I have also supervised different research work for substance and HIV/AIDS with UNODC, Bahria University and other organization.

I am part of VNGOC since 2008. Presently no board member of VNGOC from Asia and Africa continents and there is dire need board member from Asia. I have planned to motivate and activate members from Asia and Africa after election. There is also need to work for promotion of evidence based practices and advocacy for law in developing countries about drug demand reduction of services. Hopefully VNGOC members would support and vote me so that I able to serve the community.
