

VNGOC Board Elections Voting Options

Only VNGOC members in good standing are eligible to vote*

*You need to have paid the appropriate membership fee for the current year. Visit <http://vngoc.org/membership-fees/> to learn how to pay your fees.

Real-time - in person

The VNGOC Annual General Assembly is scheduled for **Wednesday, 4th March 2020 at 4 p.m.** in the Vienna International Centre.

Each organization **must select one representative to vote for their organization by emailing the name of the voting representative to info@vngoc.org** up to 24 hours in advance of the meeting, specifically by Tuesday, 3rd March 2020 at 4 pm CET.

Representatives will need to identify themselves before receiving the voting form. Votes should be registered on the official form that is provided and submitted confidentially to VNGOC staff at the end of the relevant agenda item.

Real-time - via Skype

For those participating remotely, their vote should be registered through private message to the VNGOC staff hosting the call, at the end of the relevant agenda item. All **members interested in participating remotely must email info@vngoc.org no later than 4 hours before the start of the meeting**, specifically by Wednesday, 4th March 2020 at 12 noon CET. Members that expressed interest in participating remotely before this deadline will receive a link by email to connect to the meeting. Votes should be registered via private message to VNGOC officials.

Real-time - via proxy

In the event that a member is unable to participate in person or remotely at the 4th March 2020 meeting, they may alternatively assign their voting rights to a representative of another member organization in good standing who will be attending in person, and therefore vote in real-time by proxy. Such proxy assignments must be limited in nature (i.e., be specific for certain decisions being taken at the General Assembly rather than open-ended) and **submitted to the VNGOC before Tuesday, 3rd March, 2020 at 11:59 PM CET using the [official form](#)**. Requests for proxy assignments received after this period or in any other format will not be counted.

In advance - e-voting

In the event that a member is unable to participate in real-time, votes may be submitted in advance between 24 hours and 1 hour before the start of the meeting, specifically between Tuesday, 3rd March 2020 at 4 PM CET and Wednesday, 4th March 2020 at 3 PM CET. Votes received before or after this period will not be counted.

Members interested in voting electronically in advance should **send an email expressing their interest and specifying the email address that should receive the voter key for their organization to info@vngoc.org no later than Monday, 2nd March 2020 at 11:59 PM CET**. Instructions and an individualized voter key will be sent to the email address specified.
