Chairperson

I have been in drug prevention for over 20 years and have participated in every Commission on Narcotic Drugs (CND) Session since "Beyond 2008". In 2014 my organization received Economic and Social Council (ECOSOC) Special Consultative Status from the United Nations. I have been active in presenting numerous CND side events over the years as well as many interventions on what I felt were important topics critical to the drug prevention perspective. I have also attended every intersessional CND meeting over the last two years becoming even more passionate of the work we all do in Vienna. It would be an honor to serve on the board of the Vienna Non-Governmental Organization Committee on Drugs and if elected, will work tirelessly to find the issues that we can agree on to move our important work forward on the world stage.
