

Matej Košir

Institute for Research and Development "Utrip"
VNGOC member organisation since 2018

Supported by:
Movendi International

Candidate for:
Chairperson

I, Matej Košir, am pleased to announce my second candidacy for the Chairmanship of the VNGOC Board. As Director of UTRIP and current Chairperson of the VNGOC Board, I have a proven track record in the field of drug demand reduction (especially in the areas of prevention and public health advocacy) and a deep understanding of the current and future challenges facing civil society in the field of drug policy at the global level. I have been involved in the work of CND since 2002 with minor interruptions, first as a member of a national delegation as an employee of the Government Office for Drugs and later as a civil society representative. I am committed to leading with a collaborative, inclusive and results-oriented approach. I am confident that my experience, expertise and passion will lead the VNGOC to new successes. I would be honored if you would support me again in this endeavor.
